After logging in, click on **Apply for a study program**.

Choose the **Study Level** "Postgraduate" and the **study program** HEALTH STATISTICS AND DATA ANALYTICS - POSTGRADUATE STUDIES PROGRAMME "HEALTH STATISTICS AND DATA ANALYTICS". Then, click on **Next** button.

Fill in your personal information based on your ID/Passport, especially the fields that are <u>mandatory</u>, and click on **Next** button.

Finally, in the Documents, upload the necessary documents for your application. The necessary documents are the following:

1) **Postgraduate Application Form** (which you can find on the website of the MSc)

2) **Degree Copy** (A copy of your Bachelor's degree)

3) **Identity Card/Passport**

4) **Doatap Equivalent Certificate** (A recognition degree from D.O.A.T.A.P. with BA degree grade, if needed)

5) **Curriculum Vitae** (A recently updated CV (in English))

6) **Statement of Registration Purpose** (which you can find on the website of the MSc)

7) **English Certificate** (A proof of competency in English language)

8) **Recommendation Letter** (Two updated reference letters concerning this MSc written in English language. **<u>ATTENTION</u>**: first, you have to <u>combine the 2 letters in one pdf file</u> and then you can upload it.)

9) **Postgraduate Studies Diploma/PhD Degree** (if there are any)

After you have attached all the documents, click on **Submit** button to complete your application.
